### Assessment Procedure:

The students will narrate a story or review any film that they like. The students have to inform the teacher of their chosen story/film in the previous class itself. The students will be asked to pronounce words properly. Mock interviews, Practice Session and the tutorial are conducted. Assessment/ learning progress including achievements in interaction at various levels and Assessment through surprise activities.

### Summary Report

The sessions were interactive, informative and interesting. The usage of videos, hand-outs, stories, comics, suggestive books and interesting worksheets helped the students to grasp the tips to learn and understand English language. There were brain-storming sessions, debates, group activities and impromptu presentations which enhanced the confidence level of the students.

In Week One, started the session on a lighter note with the help of YouTube videos. The objective was to help the students to utilize the opportunities close at hand to learn English. Social media platforms viz. Facebook, YouTube, Instagram etc. provide learners with a space to learn, interact, participate and grow.

In this regard, a YouTube tutorial video on food recipe was shown to the students. The language in the video was Hindi with English subtitles. The students were able to learn culinary/cuisine specific vocabulary and articulate their own sentences both in Hindi and English using the vocabulary from the video. The students found the method interesting.

In Week Two, taught grammar to the students beginning with tenses and helped them in framing simple sentences in English. The students were also engaged in conversations based on simple present tense. A doubt clearing session was also organized at the end of the week.

In Week Three, session on the pronunciation of the students and delivered elementary yet essential tips of transcription which could enhance the speaking style of the students.

In Week Four, this session interacted with the students and gave valuable inputs on communication skills- verbal and non-verbal. The students cherished his discussions on 'expressing silence' and how to say 'no'. The students made remarkable improvement at that juncture.

In Week Five, session focused on the writing skills of the students. They were given tips to write/draft formal/official letters, reports, e-mails, CV/resume etc. which would help them at professional level.

In Week Six, session based on the experiences gained by the students in five weeks organized some more activity based interactive sessions. The students were given graphic stories (Indian) with hidden captions and were urged to interpret the conversations on their own.

A group based activity was also arranged wherein the students were given a situation and they were asked to initiate conversation as they deemed fit. The Course ran its entire course of weeks and also took informal inputs from the students for making the course better next time. Total duration of this course was 48 hrs.

### Assessment Procedure:

The students will narrate a story or review any film that they like. The students have to inform the teacher of their chosen story/film in the previous class itself. The students will be asked to pronounce words properly. Mock interviews, Practice Session and the tutorial are conducted. Assessment/ learning progress including achievements in interaction at various levels and Assessment through surprise activities.

### Summary Report

The sessions were interactive, informative and interesting. The usage of videos, hand-outs, stories, comics, suggestive books and interesting worksheets helped the students to grasp the tips to learn and understand English language. There were brain-storming sessions, debates, group activities and impromptu presentations which enhanced the confidence level of the students.

In Week One, started the session on a lighter note with the help of YouTube videos. The objective was to help the students to utilize the opportunities close at hand to learn English. Social media platforms viz. Facebook, YouTube, Instagram etc. provide learners with a space to learn, interact, participate and grow.

In this regard, a YouTube tutorial video on food recipe was shown to the students. The language in the video was Hindi with English subtitles. The students were able to learn culinary/cuisine specific vocabulary and articulate their own sentences both in Hindi and English using the vocabulary from the video. The students found the method interesting.

In Week Two, taught grammar to the students beginning with tenses and helped them in framing simple sentences in English. The students were also engaged in conversations based on simple present tense. A doubt clearing session was also organized at the end of the week.

In Week Three, session on the pronunciation of the students and delivered elementary yet essential tips of transcription which could enhance the speaking style of the students.

In Week Four, this session interacted with the students and gave valuable inputs on communication skills- verbal and non-verbal. The students cherished his discussions on 'expressing silence' and how to say 'no'. The students made remarkable improvement at that juncture.

In Week Five, session focused on the writing skills of the students. They were given tips to write/draft formal/official letters, reports, e-mails, CV/resume etc. which would help them at professional level.

In Week Six, session based on the experiences gained by the students in five weeks organized some more activity based interactive sessions. The students were given graphic stories (Indian) with hidden captions and were urged to interpret the conversations on their own.

A group based activity was also arranged wherein the students were given a situation and they were asked to initiate conversation as they deemed fit. The Course ran its entire course of weeks and also took informal inputs from the students for making the course better next time. Total duration of this course was 48 hrs.

**REPORT ON AN INTERNATIONAL YOGA DAY  
21 JUNE 2019**

**Introduction:**

Our Institute has organized an International Yoga day on Friday, 21<sup>st</sup> June 2019 as per the guideline issued. The main objection of organizing such event at our Institute level is to create the importance of Yoga in our personal life and to create the awareness about tuning and development of Health, Mind and Soul which an ultimate goal of our life. As per ancients Hindu literature Development of Health, Mind and Soul is very important for development of good human being. The main objective was to create the awareness about this amongst the youth and students community.

In order to disseminate the information about yoga day, Institute has taken up following steps:-

- (1) Informed all the students about Yoga Day Celebration at our Institute premises on Friday, 21<sup>st</sup> June 2019. At Morning 08:30 Hrs.
- (2) Also informed all the Faculty members, and assigned various tasks of coordination and arrangements to the all faculty members.

DIRECTOR

**RAJMATA JIJAU SHIKSHAN PRASARAK MANDAL'S  
INSTITUTE OF COMPUTER  
& MANAGEMENT RESEARCH  
Dudulgaon, Pune-412 105.**

- (3) Informed all the non-teaching staff and assigned the administrative arrangement to them.
- (4) Also disseminated the information to nearby people to join the program on Yoga Day.

Following activities has been carried out on Yoga day.

- (1) Sitting arrangement has been made by non-teaching staff.
- (2) Yoga Teacher Mrs. Sarita Nagalkar has been received by our Director.
- (3) Mrs. Sarita Nagalkar Yoga Guru has been assisted by your Faculty Members to coordinate the Yoga activities.
- (4) Inaugural speech was given by our Campus Director about importance of Yoga in our life.
- (5) Further various Yoga Exercises were conducted by Yoga Guru Mrs. Sarita Nagalkar. She has been assisted by our two faculty members.
- (6) Whole program was conducted for 01 Hrs and 10 Miniutes.
- (7) Finally vote of thanks has been delivered and programme was ended.
